They've been given a second chance at life... But at what cost?

GUNSLINGER GIRL.

ガンスリンガー・ガール

Officially, the Social Welfare Agency is a government sponsored corporation that's in the business of saving lives. At least that's the ruse. In reality, it's an agency on the fringe of technology. They give terminal patients another shot at life using cybernetic implants. This conditioning process then shapes the patient into an efficient machine for handling all of the government's dirty work.
